New Business:

Wellmark renewal presentation

Troy Heller raised the question of tying the health screening to the results of claims year over year. Justin suggested this to the Wellmark representative, who was discussing a great year for the trust. She also mentioned that educating members on the free services offered through insurance should be a point of focus.

Partial funding options for plan year 2020-2021

Justin presented on rates and plan options for 2020-21. Options were to raise the Wellmark deductible or change the amount of funding provided to pay down the premium, both options were presented in an attempt to maintain the trust balance.

Motion by Jurrens (New Hampton), second by Einck (South Winn), to accept alternate rates from Wellmark for Plan A & Plan C, increasing the Wellmark deductible to \$6,500, out of pocket to \$6,900, all employee benefits will remain the same and accept original renewal rates for Plan B and Plan B HMO. Carried unanimously.

Life/Voluntary/LTD

Brian presented on Voluntary rates and plan options for 2020-21. NIS quoted the trust for Allamakee's rate across all schools in NEISIT. The coverage quoted is for \$150,000 in voluntary employee supplemental life insurance and \$25,000 in voluntary spouse supplemental life insurance. Open enrollment would take place at the same time as health insurance open enrollment (May). Life and LTD will be discussed at a future meeting.

Motion by Willhite (North Fayette Valley), second by Mathis (Allamakee) to include this option in the 2020-21 enrollment of benefits. Carried unanimously.

Fully insured dental and vision benefit options

Brian presented vision and dental options for next year's enrollment. Delta Dental, MetLife, Avesis, and VSP were quoted. Delta Vision was out as their closest providers were in Minnesota. MetLife and VSP have Gundersen, Avesis does not, MetLife has a better relationship with Walmart than VSP. MetLife and Delta Dental quoted near the same between the two companies, a lower rate versus current rate with both companies.

Motion by Dugger (Postville), second by Einck (South Winn) to go with MetLife Dental (2 tier), and MetLife vision (2 tier), matching VSP vision, not to exceed the VSP rate (12/12/12, 48 month rate lock). Carried unanimously.

Motion by Mathis (New Hampton), second by Ihns (Howard Winneshiek) to add signatory power to Mark Lane at Decorah Bank & Trust. Carried unanimously.
